**SPONSORED TREE SCHEME – SEAHAM CEMETERY AT BYRON’S  
WALK - £95.00 (for Wood stake and Plaque) or  
£110.00 for Wrought Iron Stake and Plaque)**

Thousands of new trees have been planted at the new Seaham Cemetery. Seaham Town Council is keen to encourage these trees to be sponsored. A commemorative plaque will be provided which would be set on a wooden post, or alternatively we could provide a wrought iron stake with plaque on.

Purchases are asked to state a preference for a tree sited in a particular location in the cemetery. At this stage in time the sponsorship scheme relates to pre-planted trees in the cemetery.

Please complete and return the form to Seaham Town Council, Town Hall, Stockton Road, Seaham, County Durham, SR7 0HP.
