SECTION 1 – Annual Governance Statement 2017/2018

Item 5 on the Annual Governance Statement relating to Risk Assessments has been ticked as a No please see below for explanation.

The Risk Assessment are normally reported each financial year to Council, by the Town Clerk, after being reviewed by relevant officers.

The Risk Assessments for 2016/2017 were reported in March 2017 and as such the Risk Assessments for 2017/2018 should have been reported in March 2018 however due to the long term sickness absence of the Town Clerk this item was missed.

The Risk Assessments were however, reviewed by the Internal Auditor in November and reported to Committee. An issue was raised by an Elected Member. Following this an amended report was submitted by the Internal Auditor which has been reported to the Finance Meeting on 1st May 2018 together with the Annual Review of the Risk Assessments.
